

Capel Military Vehicle Show- 2020

Following on from the very successful 2019 show, the organisers have decided to open a weapons hire facility for the general reenactment population who attend and support the event.

This facility will be provided by the existing section 5 armourers for the show, History in the Making Ltd.

The Weapon Hire facility will operate as for other events which have such facilities put in place.

Recognised and registered reenactment groups will be able to pre-hire weapons for their main performance periods of the event. A dedicated armoury team will be on site for the full term of the event to administer and supervise the use of period weapons.

Standard terms and conditions will apply to this facility. The Show organisers are very happy to put this facility in place but have no other involvement. Transactions will be between the re-enactment groups and the Armourers direct.

If you wish to hire weapons for your battle displays, please contact the armourers via email.

info@history-making.com

Booking forms and terms and conditions will be supplied on request.

**Regards,
Team Capel.**
